

Gawpsters 3

domingo, 29 março 2009

Connect the fluffy gawpsters by drawing lines between them, careful not to let other colors bump into your matrix.

Controls: Nouse

Recommended by:

INSTRUCTIONS:

Connect the fluffy gawpsters by drawing lines between them, careful not to let other colors bump into your matrix. Grab power-ups to slow down the gawpsters movement or do other nifty, helpful things. Click on a Gawpster, hold the mouse and catch another one of the same color. To catch a big gawpster you need to link at least three small one of the same color. Finish as many levels as you can.
