

De Tower

sábado, 25 abril 2009

Place blocks on the stand to make the block tower as tall as you can.

Controls: Mouse: click to drop block | Left & Right Arrow: rotate the block left and right.

INSTRUCTIONS:

Place blocks on the stand to make the block tower as tall as you can. Yellow fading blocks will dissappear, so replace them as quick as possible. Drop 10 blocks and the game is over.
